

Braverman Assessment Form

Note: this document is a form that you can fill out. Once filled out you can save it to your PC, then email it to admin@austin3dhealth.com. Please include your name in the filename when you save it to your PC.

Due to the personal nature of the questions on the Braverman Assessment only bring in the results page. The questionnaire is for your eyes only.

Instructions: Place a mark next to each statement that you believe is true for you. At the end of each group, record the number of marks in the space provided. The second assessment will determine if you are deficient in any of the four biochemicals, including the one that governs your nature. Many of the questions relate to symptoms you might be experiencing. Answer the question in terms of how you feel right now; it doesn't matter how long you've been experiencing these symptoms, or even if they occurred today for the first time.
